Commercial DADO KANBAN

Il sistema Kanban (letteralmente “cartellino”) veniva originariamente utilizzato nella gestione della produzione della Toyota e ha poi influenzato lo sviluppo agile in vari settori industriali.

Lo scopo è di creare un flusso di lavoro continuo e ordinato, mantenendo scorte al minimo e riordini automatici continui.

Commercial Dado offre ai suoi clienti una soluzione concreta per ottimizzare il processo di approvvigionamento e gestione del materiale, capace di ridurre i costi di magazzino.

Il metodo di fornitura Kanban garantisce **efficienza, flessibilità e assistenza al cliente.**

Vantaggi del Kanban:

- consulenza logistica di alto valore aggiunto
- fornitura kanban efficiente e chiavi in mano
- tempi di consegna più brevi
- maggiore affidabilità di consegna
- riduzione del numero di solleciti e di urgenze
- servizio di imballaggio personalizzato con materiale già etichettato
- visibilità immediata delle scorte, accessibile anche in mobilità con app Android e IOS
- la possibilità di tracciare l'intero flusso logistico
- riduzione dei costi di gestione degli ordini e del capitale circolante
